### Stevanato Group Announces Pricing of Upsized Public Offering of Ordinary Shares

PIOMBINO DESE, Italy – March 21, 2024 – Stevanato Group S.p.A. (NYSE: STVN) (“Stevanato Group,” or the “Company”), a leading global provider of drug containment, drug delivery and diagnostic solutions to the pharmaceutical, biotechnology and life sciences industries, today announced the pricing of its upsized underwritten public offering of an aggregate of 12,700,000 of its ordinary shares at a public offering price of \$26.00 per share.

Stevanato Group is offering 6,350,000 ordinary shares (the “Company Offering”), and Stevanato Holding S.r.l., an affiliate and major shareholder of the Company (the “Selling Shareholder”), which currently holds approximately 78% of Stevanato Group’s outstanding ordinary shares, is offering 6,350,000 ordinary shares (the “Selling Shareholder Offering” and, together with the Company Offering, the “Offering”). Stevanato Group and the Selling Shareholder have granted the underwriters an option, exercisable for 30 days after the date of the final prospectus supplement, to purchase up to 1,905,000 additional ordinary shares on the same terms and conditions.

The total gross proceeds from the Offering, before deducting underwriting discounts and commissions and offering expenses, are expected to be approximately \$330 million, excluding any exercise of the underwriters’ option to purchase additional shares.

Stevanato Group intends to use the net proceeds from the Company Offering for general corporate purposes, including to enable Stevanato Group to satisfy the requirements of its ongoing investment activities and working capital needs, and to ensure an appropriate level of operating and strategic flexibility. Stevanato Group will not receive any proceeds from the Selling Shareholder Offering. The Offering is expected to close on March 26, 2024, subject to the satisfaction of customary closing conditions.

Morgan Stanley and William Blair are serving as lead book-running managers and as representatives of the underwriters for the Offering. BofA Securities, Citigroup and KeyBanc Capital Markets are also serving as joint book-running managers. The Offering is being made pursuant to an automatic shelf registration statement on Form F-3 that was filed and automatically declared effective with the Securities and Exchange Commission (the “SEC”) on March 20, 2024. The Offering is being made only by means of a prospectus supplement to the accompanying prospectus that forms part of the registration statement.
