As a filing fee was paid by the Company under the original Registration Statement in connection with the registration of the ordinary shares offered under the Reoffer Prospectus, no additional registration fee is required to add these ordinary shares to the Reoffer Prospectus pursuant to Rule 457(h)(3) under the Securities Act.

This Reoffer Prospectus may be used for reoffers and resales of ordinary shares of the Company on a continuous or delayed basis that may be deemed to be “control securities” under the Securities Act, and the rules and regulations promulgated thereunder, that are issuable to certain employees, directors and/or officers of the Company identified in the Reoffer Prospectus, as may be supplemented, who are, or may be deemed to be, “affiliates” of the Company within the meaning set forth in Rule 405 under the Securities Act (the “Selling Shareholders”). Such Selling Shareholders may reoffer or resell all, a portion, or none of the ordinary shares which have been or will be acquired pursuant to (i) the Company’s Performance Shares Plan 2023-2027; (ii) the Company’s Restricted Shares Plan 2023-2027; and (iii) certain shareholders resolutions passed at the shareholders’ meetings held on June 1, 2022, May 24, 2023 and May 22, 2024 ((i); (ii); and (iii), together, the “Plans”).

Pursuant to Rule 424(b) under the Securities Act, we may supplement the Reoffer Prospectus from time to time with the names of additional selling shareholders and/or amounts of ordinary shares, if any, to be reoffered or resold by such selling shareholders as that information becomes known. The inclusion of such ordinary shares herein does not necessarily represent a present intention to sell any or all such ordinary shares by the Selling Shareholders.

All other portions of the Registration Statement, as previously filed, remain unchanged.

The information required by Item 1 and Item 2 of Part I of FormS-8 is omitted from this filing in accordance with Rule 428 under the Securities Act and the introductory note to Part I of Form S-8. The document(s) containing the information specified in Part I of FormS-8 will be sent or given to the participants as specified by Rule 428(b)(1) of the Securities Act. Such documents are not required to be, and are not, filed with the Securities and Exchange Commission (the "SEC"), either as part of this Registration Statement or as prospectuses or prospectus supplements pursuant to Rule 424 under the Securities Act.

Forecasts and other forward-looking information obtained from these sources are subject to the same qualifications and uncertainties as the other forward-looking statements in this reoffer prospectus. These forecasts and forward-looking information are subject to uncertainty and risk due to a variety of factors, including those described under “*Risk Factors.*” These and other factors could cause results to differ materially from those expressed in any forecasts or estimates. In addition, assumptions and estimates of our and our industries’ future performance are necessarily subject to a high degree of uncertainty and risk due to a variety of factors. These and other factors could cause our future performance to differ materially from our assumptions and estimates. As a result, you should be aware that market, ranking and other similar industry data included in this reoffer prospectus and the accompanying prospectus, and estimates and beliefs based on that data, may not be reliable. Neither we nor the Selling Shareholders can guarantee the accuracy or completeness of any such information contained in this reoffer prospectus.

All references in this reoffer prospectus to “dollar,” “USD,” “US\$” or “\$” refer to U.S. dollars and the terms “€” or “euro” refer to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the treaty establishing the European Community, as amended.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This reoffer prospectus contains (and any document incorporated by reference in this reoffer prospectus, and any prospectus supplement, may contain) certain forward-looking statements for purposes of the federal securities laws. All statements contained in this reoffer prospectus and any applicable prospectus supplement other than statements of historical fact, including, without limitation, statements regarding our future financial performance, our strategies, plans and other aspects of our business. Words or phrases such as “believe,” “anticipate,” “intend,” “estimate,” “forecast,” “project,” “plan,” “potential,” “may,” “should,” “expect,” “envisage” or the negative of these terms and similar expressions are intended to identify forward-looking statements, though not all forward-looking statements use these words or expressions.

These are neither promises nor guarantees, but involve known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements, including, but not limited to the following:

- our product offerings are highly complex, and, if our products do not satisfy applicable quality criteria, specifications and performance standards, we could experience lost sales, delayed or reduced market acceptance of our products, increased costs and damage to our reputation;
- we must develop new products and enhance existing products, adapt to significant technological and innovative changes and respond to introductions of new products by competitors to remain competitive;
- our backlog might not accurately predict our future revenue, and we might not realize all or any part of the anticipated revenue reflected in our backlog;
- if we fail to maintain and enhance our brand and reputation, our business, results of operations and prospects may be materially and adversely affected;
- we are highly dependent on our management and employees. Competition for our employees is intense, and we may not be able to attract and retain the highly skilled employees that we need to support our business and our intended future growth;
- our business, financial condition and results of operations depend upon maintaining our relationships with suppliers and service providers;
- our business, financial condition and results of operations depend upon the availability and price of high-quality materials and energy supply and our ability to contain production costs;
- significant interruptions in our operations could harm our business, financial condition and results of operations;
- as a consequence of the COVID-19 pandemic, global sales of syringes and vials to and for vaccination programs had increased, resulting in a revenue growth acceleration. The demand for such products may continue to shrink if the need for COVID-19 related solutions continues to decline;
- our manufacturing facilities are subject to operating hazards which may lead to production curtailments or shutdowns and have an adverse effect on our business, results of operations, financial condition or cash flows;
- our business, financial condition and results of operations may be impacted by our ability to successfully expand capacity to meet customer demand;

-
- the loss of a significant number of customers or a reduction in orders from a significant number of customers, including through destocking initiatives or lack of transparency of our products held by customers, could reduce our sales and harm our financial performance;
 - we may face significant competition in implementing our strategies for revenue growth in light of actions taken by our competitors;
 - our global operations are subject to international market risks that may have a material effect on our liquidity, financial condition, results of operations and cash flows;
 - we are required to comply with a wide variety of laws and regulations and are subject to regulation by various federal, state and foreign agencies;
 - given the relevance of our activities in the healthcare sector, investments by non-Italian entities in the Company, as well as certain asset disposals by the Company, may be subject to the prior authorization of the Italian Government (so called “golden powers”);
 - if relations between China and the United States deteriorate, our business in the United States and China could be materially and adversely affected;
 - cyber security risks and the failure to maintain the confidentiality, integrity and availability of our computer hardware, software and internet applications and related tools and functions, could result in damage to our reputation, data integrity and/or subject us to costs, fines or lawsuits under data privacy or other laws or contractual requirements;
 - our trade secrets may be misappropriated or disclosed, and confidentiality agreements with directors, employees and third parties may not adequately prevent disclosure of trade secrets and protect other proprietary information;
 - if we are unable to obtain and maintain patent protection for our technology, products and potential products, or if the scope of the patent protection obtained is not sufficiently broad, we may not be able to compete effectively in our markets;
 - we depend in part on proprietary technology licensed from others. If we lose our existing licenses or are unable to acquire or license additional proprietary rights from third parties, we may not be able to continue developing our potential products;
 - we are obligated to maintain proper and effective internal control over financial reporting. Our internal controls were not effective for the year ended December 31, 2023, and in the future may not be determined to be effective, which may adversely affect investor confidence in us and, as a result, the value of our ordinary shares; and
 - any other risk described under the headings “*Risk Factors*” and “*Operating and Financial Review and Prospects*” in our Annual Report on Form 20-F for the fiscal year ended December 31, 2023, filed with the SEC on March 7, 2024.

The foregoing list of factors is not exhaustive. The forward-looking statements contained or incorporated by reference in this reoffer prospectus and contained in any prospectus supplement are based on our current expectations and beliefs concerning future developments and their potential effects on us. There can be no assurance that future developments affecting us will be those that we have anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) or other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described under the heading “*Risk Factors*.” Should one or more of these risks or uncertainties materialize, or should any of the assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We will not and do not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.

You should read this reoffer prospectus, any document incorporated by reference in this reoffer prospectus, any applicable prospectus supplement, and the documents that we reference in this reoffer prospectus and have filed with the SEC as exhibits to the registration statement of which this reoffer prospectus is a part with the understanding that our actual future results, levels of activity, performance and events and circumstances may be materially different from what we expect.

Summary of Risk Factors

Investing in our securities entails a high degree of risk as more fully described under “*Risk Factors*,” and the risk factors contained in the other documents that are filed after the date hereof and incorporated by reference in this reoffer prospectus or contained in any applicable supplement. You should carefully consider such risks before deciding to invest in our securities.

RISK FACTORS

Before making an investment decision, you should carefully consider the risks described under “*Item 3. Key Information—D. Risk Factors*” of our 2023 Annual Report on Form 20-F filed with the SEC on March 7, 2024 and incorporated by reference herein, and the risk factors contained in the other documents that are filed after the date hereof and incorporated by reference in this reoffer prospectus or contained in any applicable supplement. Additional risks not presently known to us or that we currently deem immaterial may also impair our business operations. Our business, financial condition or results of operations could be materially and adversely affected by any of these risks. The trading price and value of our ordinary shares could decline due to any of these risks, and you may lose all or part of your investment. This reoffer prospectus also contains forward-looking statements that involve risks and uncertainties. Our actual results could differ materially from those anticipated in these forward-looking statements as a result of certain factors, including the risks faced by us described below and elsewhere in this reoffer prospectus.

DETERMINATION OF OFFERING PRICE

The Selling Shareholders will determine at what price sell the ordinary shares, and such sales may be made at prevailing market prices or at privately negotiated prices. See "*Plan of Distribution*" below for more information.

USE OF PROCEEDS

All of the ordinary shares offered by the Selling Shareholders pursuant to this reoffer prospectus will be sold by the Selling Shareholders for their respective amounts. We will not receive any of the proceeds from these sales.

SELLING SHAREHOLDERS

This reoffer prospectus relates to the offer and sale, from time to time, by the Selling Shareholders named herein, or their permitted transferees, of up to 64,813 of our ordinary shares, no par value per share, issued or issuable to the Selling Shareholders pursuant to the Plans.

The following table sets forth the names of the Selling Shareholders, the number of ordinary shares owned by each of them as of the date of this reoffer prospectus, the maximum number of ordinary shares that they may offer pursuant to this reoffer prospectus, and the number and percentage of ordinary shares to be beneficially owned by each Selling Shareholder assuming all of the ordinary shares which may be offered by such Selling Shareholder pursuant to this reoffer prospectus are sold. The Selling Shareholders may offer all or part of the ordinary shares for resale from time to time through public or private transactions, at fixed prices, prevailing market prices at the time of sale, prices related to the prevailing market prices, varying prices determined at the time of sale or negotiated prices. The Selling Shareholders may sell any, all or none of the shares offered by this reoffer prospectus. See “*Plan of Distribution.*” We will not receive any of the proceeds from the sale of the ordinary shares sold by the Selling Shareholders.

Beneficial ownership is determined according to the rules of the SEC, which generally provide that a person has beneficial ownership of a security if he, she or it possesses sole or shared voting or investment power over that security. Unless otherwise indicated, we believe that all persons named in the table below have sole voting and investment power with respect to ordinary shares beneficially owned by them.

Selling Shareholders information for each additional Selling Shareholders, if any, will be set forth in a prospectus supplement to the extent required prior to the time of any offer or sale of such Selling Shareholder’s ordinary shares pursuant to this reoffer prospectus. Any prospectus supplement may add, update, substitute, or change the information contained in this reoffer prospectus, including the identity of each Selling Shareholders and the number of ordinary shares registered on its behalf.

Other Material Relationships with the Selling Shareholders***Indemnification Agreements***

In connection with our listing on the NYSE, we entered into indemnification agreements with our directors and executive officers. These indemnification agreements require us to indemnify our directors and executive officers to the fullest extent permitted by law, save for a limited number of instances, including when (i) officers and directors' acts or omissions constituted willful misconduct or gross negligence, (ii) officers and directors did not act in good faith, for a purpose which they reasonably believed to be in, or not opposed to, the best interests of the Company and (iii) officers and directors are held liable towards the Company.

Insofar as indemnification of liabilities arising under the Securities Act may be permitted to executive officers and board members or persons controlling us pursuant to the foregoing provisions, we have been informed that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

PLAN OF DISTRIBUTION

We are registering the ordinary shares covered by this reoffer prospectus to permit the Selling Shareholders to conduct public secondary trading of the ordinary shares from time to time after the date of this reoffer prospectus. As used herein, references to “Selling Shareholders” includes donees, pledgees, transferees, distributees or other successors-in-interest selling ordinary shares of Stevanato Group received after the date of this reoffer prospectus from a Selling Shareholder as a gift, pledge, partnership distribution or other transfer.

We will not receive any of the proceeds from the sale of the ordinary shares offered by this reoffer prospectus. The aggregate proceeds to the Selling Shareholders from the sale of the ordinary shares will be the purchase price of the ordinary shares less any discounts and commissions. We will not pay any brokers’ or underwriters’ discounts and commissions in connection with the registration and sale of the ordinary shares covered by this reoffer prospectus. The Selling Shareholders will pay any underwriting discounts and commissions and expenses incurred by them for brokerage, accounting, tax or legal services or any other expenses incurred by them in disposing of the ordinary shares. We bear the costs, fees and expenses incurred in effecting the registration of the ordinary shares covered by this reoffer prospectus, including all registration and filing fees and fees and expenses of our counsel and our independent registered public accounting firm. The Selling Shareholders reserve the right to accept and, together with their respective agents, to reject, any proposed purchases of the ordinary shares to be made directly or through agents.

The ordinary shares offered by this reoffer prospectus may be sold from time to time to purchasers:

- directly by the Selling Shareholders;
- through underwriters, broker-dealers or agents, who may receive compensation in the form of discounts, commissions or agent’s commissions from the Selling Shareholders or the purchasers of the ordinary shares; or
- through a combination of any of these methods of sale.

Any underwriters, broker-dealers or agents who participate in the sale or distribution of the ordinary shares may be deemed to be “underwriters” within the meaning of the Securities Act. As a result, any discounts, commissions or concessions received by any such broker-dealer or agents who are deemed to be underwriters will be deemed to be underwriting discounts and commissions under the Securities Act. Underwriters are subject to the prospectus delivery requirements of the Securities Act and may be subject to certain statutory liabilities under the Securities Act and the Exchange Act. The Selling Shareholders may agree to indemnify any broker, dealer or agent that participates in transactions involving sales of the ordinary shares against certain liabilities in connection with the offering of the shares arising under the Securities Act. We will make copies of this reoffer prospectus available to the Selling Shareholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act.

The ordinary shares may be sold in one or more transactions at:

- fixed prices;
- prevailing market prices at the time of sale;
- prices related to such prevailing market prices;
- varying prices determined at the time of sale; or
- negotiated prices.

These sales may be effected in one or more transactions:

- on any national securities exchange or quotation service on which the ordinary shares may be listed or quoted at the time of sale;

-
- in the over-the-counter market;
 - in transactions otherwise than on such exchanges or services or in the over-the-counter market;
 - through trading plans entered into by the Selling Shareholders pursuant to Rule 10b5-1 under the Exchange Act that are in place at the time of an offering pursuant to this reoffer prospectus and any applicable prospectus supplement hereto that provide for periodic sales of their securities on the basis of parameters described in such trading plans;
 - any other method permitted by applicable law; or
 - through any combination of the foregoing.

These transactions may include block transactions or crosses. Crosses are transactions in which the same broker acts as an agent on both sides of the trade.

At the time a particular offering of the ordinary shares is made, a prospectus supplement, if required, will be distributed, which will set forth the name of the Selling Shareholders, the aggregate amount of ordinary shares being offered and the terms of the offering, including, to the extent required, (1) the name or names of any underwriters, broker-dealers or agents, (2) any discounts, commissions and other terms constituting compensation from the Selling Shareholders, and (3) any discounts, commissions or concessions allowed or reallocated to be paid to broker-dealers.

The Selling Shareholders also may transfer the securities in other circumstances, in which case the transferees, pledgees or other successors-in-interest will be the selling beneficial owners for purposes of this reoffer prospectus. Upon being notified by a Selling Shareholder that a donee, pledgee, transferee, other successor-in-interest intends to sell our ordinary shares, we will, to the extent required, promptly file a supplement to this reoffer prospectus to name specifically such person as a Selling Shareholder.

The Selling Shareholders will act independently of us in making decisions with respect to the timing, manner, and size of each resale or other transfer. There can be no assurance that the Selling Shareholders will sell any or all the ordinary shares under this reoffer prospectus. Further, we cannot assure you that the Selling Shareholders will not transfer, distribute, devise or gift the ordinary shares by other means not described in this reoffer prospectus. In addition, any ordinary shares covered by this reoffer prospectus that qualify for sale under Rule 144 of the Securities Act may be sold under Rule 144 rather than under this reoffer prospectus. The ordinary shares may be sold in some states only through registered or licensed brokers or dealers. In addition, in some states the ordinary shares may not be sold unless they have been registered or qualified for sale or an exemption from registration or qualification is available and complied with.

The Selling Shareholders and any other person participating in the sale of the ordinary shares will be subject to the Exchange Act. The Exchange Act rules include, without limitation, Regulation M, which may limit the timing of purchases and sales of any of the ordinary shares by the Selling Shareholders and any other person. In addition, Regulation M may restrict the ability of any person engaged in the distribution of the ordinary shares to engage in market-making activities with respect to the particular securities being distributed. This may affect the marketability of the ordinary shares and the ability of any person or entity to engage in market-making activities with respect to the ordinary shares.

Once sold under the registration statement of which this reoffer prospectus forms a part, the ordinary shares covered by this reoffer prospectus will be freely tradable in the hands of persons other than our affiliates.

The following documents, previously filed by the Company with the SEC, are incorporated by reference in this registration statement:

(a) The Company's Annual Report on [Form 20-F](#) (File No. 001-40618) for the fiscal year ended December 31, 2023, filed with the SEC on March 7, 2024; and

(b) The description of the ordinary shares contained in the Company's registration statement on [Form 8-A](#) (File No. 001-40618) filed with the SEC on July 15, 2021, pursuant to Section 12(b) of the Exchange Act, including the description of the Ordinary Shares included as [Exhibit 2.1](#) in the Company's Annual Report on [Form 20-F](#) (File No. 001-40618) for the fiscal year ended December 31, 2023, filed with SEC on March 7, 2024.

All reports and other documents subsequently filed by the Company pursuant to Sections 13(a), 13(c), 14 and 15(d) of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act"), on or after the date of this registration statement, but prior to the filing of a post-effective amendment to this registration statement that indicates that all ordinary shares offered hereby have been sold or that deregisters all ordinary shares then remaining unsold, shall be deemed to be incorporated by reference in this registration statement and to be a part hereof from the date of filing of such documents; provided, however, that documents or information deemed to have been furnished and not filed in accordance with the rules of the SEC shall not be deemed incorporated by reference into this registration statement.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this registration statement to the extent that a statement contained herein or in any subsequently filed document which also is deemed to be incorporated by reference herein modifies or supersedes such statement. Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

Italian law does not limit the extent to which a company may provide for indemnification of officers and directors, except to the extent indemnification is provided against damages costs and expenses for which officers and directors are held liable towards the company or, in any case, as a consequence of the wrongful, intentional or grossly negligent acts or omissions, or such indemnification is held to be contrary to public policy, such as in case of criminal or administrative financial penalties.

Pursuant to the indemnification agreements, the form of which are incorporated by reference as Exhibit 4.6 to our Annual Report on Form 20-F, with our directors and executive officers, we have agreed to indemnify such directors and executive officers against certain liabilities and expenses incurred by such persons in connection with claims made by reason of their being such a director or officer.

In particular, if officers or directors are made, or threatened to be made, a party to an action or proceeding other than by or in the right of the Company, whether civil or criminal, we provide for indemnification of officers and

directors for damages, costs, amounts paid in settlement and reasonable expenses incurred in their capacities as such only if they acted in good faith, and for a purpose that they reasonably believed to be in or not opposed to, the best interests of the Company and, in criminal actions or proceedings, in addition, had no reasonable cause to believe that his or her conduct was unlawful.

Moreover, if officers or directors are made, or threatened to be made, a party to an action by or in the right of the Company, we provide for indemnification of officers and directors for damages, costs, amounts paid in settlement and reasonable expenses incurred in their capacities as such only if they acted in good faith, for a purpose which they reasonably believed to be in, or not opposed to, the best interests of the Company, except that no indemnification shall be made in respect of a threatened action or pending action that is settled or otherwise disposed of, or any claim, issue or matter as to which such officers or directors shall have been adjudged to be liable to the Company.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Item 7. Exemption from registration claimed

Item 9. Undertakings.

The undersigned registrant hereby undertakes:

- (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration

statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

- (iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement.

provided, however, that paragraphs (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement; and

- (2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and
- (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Sections 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing the Registration Statement on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Piombino Dese, Italy, on June 11, 2024.
